2014

High ambitions with three sub-studies
running over 5 years

“This is a very challenging project”

What contributed to achieving our goals?

What contributed to achieving our goals?

What contributed to achieving our goals?

What contributed to achieving our goals?

A motivated team of researchers and partners!

Words of
thanks

This project has received funding from the European Union's Seventh Framework Programme for research, technological development and demonstration under grant agreement no. 603111.
